2. Complete Form

3. Both Parents and Students must sign form stating they have read and understand the Rules regarding Student Driving and Parking.

4. Submit Form

5. Form will be in a pending status until payment has been received, student has produced valid driver's license and parking spot has been chosen. Status will go to "Approved" once all has been completed.

Vehicle Registration forms will continue to be active in the parent portal as students become eligible to drive to school and have a valid driver's license.
