

Course Recommendations

The following are course offerings CC+ students have taken in the past to obtain college and high school credit. Remember to always consult your school guidance counselor before selecting a course(s) to insure that the course(s) will be accepted as high school credit and recorded as such on your high school transcript.

It is strongly recommended that students choose courses that are considered TAG courses (Transfer Assurance Guaranteed) and will transfer to all Ohio public colleges and universities as General Education courses. Please use the following website to see how the courses will transfer to other colleges and universities:

Students can also access the BGSU course catalog for course titles and descriptions before making their course selections and see guidance counselor approval. The BGSU Undergraduate Catalog can be found at the following:
